Shayamoya – Tiger Fishing and Game Lodge – Lake Jozini

The debate is on whether Jozini is to become the next tourism hotspot! Why don't you decide?

Start your vacation at a unique lodge in the Northern KwaZulu Natal where the view from the spectacular setting is particularly breathtaking as you gaze out onto Lake Jozini, the Lebombo Mountains and the Pongola Game Reserves from your private deck of your Bush Chalet. All Rooms have flat screen TV's with local channels, a bar fridge and overhead fans.

With all of these activities to choose from on site: Tiger Fishing, Game Drives, Boat Cruises, Birding, guided Rhino walks, Spa facilities and off site activities include Guided Horse Safaris, Game reserves, golf, Cultural and Educational tours, you are spoilt for choice.

After two/three days – move onto Shayamoya Sodwana Bay, at the coast, which is about a two hour drive from Lake Jozini.

On a hilltop overlooking Sodwana Bay our luxury thatched chalets are perfectly situated to ensure fantastical views of the morning sunrise over the bay.
