

**4 NIGHTS SUPER COMBO
2 NIGHTS VICTORIA FALLS SAFARI LODGE & 2 NIGHTS NGOMA SAFARI LODGE**

Welcome to the Great Victoria Falls, one of the seven natural wonders of the world and a place where wilderness, adventure and culture unite around one stunning spectacle. Incredible natural beauty, and remarkable wildlife viewing combine to awe visitors to this UNESCO World Heritage Site on the boarder of Zimbabwe and Zambia, where the Zambezi River drops more than 100m into the Batoka Gorge to form Victoria Falls. At 1.7km wide, it is the largest curtain of falling water in the world, and is often referred to as “Mosi-oa-Tunya” or the Smoke that Thunders.

The new international airport at Victoria Falls will make the destination increasingly accessible from around the globe, and a natural jump-off point to explore the region, which is the richest wildlife real estate on the planet.

VICTORIA FALL SAFARI LODGE

Built on a plateau overlooking the Zambezi National Park, Victoria Fall Safari lodge is just 4 km from the majestic Victoria Falls and offers a unique wildlife experience. Indulge in an evening of fine dining at MaKuwa-Kuwa Restaurant, relax over a light meal or sundowner at the Buffalo Bar, both with stunning views of Victoria Falls Safari Lodge’s wildlife-rich waterhole, surrounding bush and spectacular sunsets, and celebrate Africa at The Boma – Dinner & Drum Show. The majority of rooms at the lodge also have a direct view of the waterhole from where guests may watch the game from the privacy of their balcony.

Sit back, relax and soak up the last rays of the African sun as you gently drift along the Zambezi River above the Falls with a gin and tonic in hand and enjoying delicious snacks. Look out for elephant, hippo, crocodile, magnificent birds and other wildlife. The finale of the cruise is the unforgettable sight of the sun setting over the Zambezi River, turning the sky into a myriad of reds, oranges and pinks and casting shadows and silhouettes all around.

NGOMA SAFARI LODGE

Located in Botswana, this oasis is in a wildlife wonderland. This boutique lodge offers unrivalled panoramic views over the game-rich Chobe River and floodplain, and is on the doorstep of Chobe National Park, also known as Land of the Giants, as it is home to the largest herds of elephants on Earth.

Expect a vast and diverse array of wildlife as knowledgeable guides take you on safaris through the Chobe National Park, home to the largest elephant herds on Earth, lazy afternoon by the pool and stunning dinners under African stars. Additional activities include river cruises (on the full day safari), night game drives, game walks and local community. There is no better way to explore the African bush than on a guided game drive in an open safari vehicle. We offer drives in the early morning and late afternoon, allowing you to choose to do this activity when it best suits your itinerary.
