“Making memorable moments matter”

Being a brilliant team player or leader has never been so important. Team work is the driving force behind any organisation; get it right and the results speak for themselves, get it wrong and you're in for a rough ride.

Team building games, exercises and activities help build teams, develop employee motivation, improve communications and are fun - for corporate organizations, groups, children's development and even kid's parties. Team building games, exercises, activities and quizzes also warm up meetings, improve training, and liven up conferences.

Great teamwork makes things happen more than anything else in organizations. Empowering people is more about attitude and behaviour towards staff than processes and tools. Teamwork is fostered by respecting, encouraging, enthusing, caring for people, not exploiting or dictating to them.

At the heart of this approach is love and spirituality which helps bring mutual respect, compassion, and humanity to work. People working for each other in teams is a powerful force, more than skills, processes, policies. More than annual appraisals, management-by-objectives, the 'suits' from head office; more than anything. Teams usually become great teams when they decide to do it for themselves - not because someone says so. Something inspires them maybe, but ultimately the team decides. It's a team thing. It has to be. The team says: 'Okay. We can bloody well make a difference. We will be the best at what we do. We'll look out for each other and succeed - for us - for the team. And we'll make sure we enjoy ourselves while we're doing it'. And then the team starts to move mountains.

A team that does not communicate well and effectively collaborate is not really a team. Therefore, effective leaders will use team building tools to ensure continual teamwork for a positive work environment and increased productivity. The time you spend with your people coaching them as a team, as well as each individual team member, is by far the best use of a leader's time. This time invested, pays back in the form of improved morale and increased productivity. Here are few exciting team building activities that we have put together for you and your team's enjoyment. We strive to help teams achieve specific goals, to allow them to function better as a group, while having the best time of their lives!

“Teamwork is the ability to work together toward a common vision. The ability to direct individual accomplishment toward organizational objectives. It is the fuel that allows common people to attain uncommon results.” Andrew Carnegie, American Industrialist and philanthropist

Archery is a fun and challenging individual or team build activity which anyone can master quickly. Instructors are on hand to give knowledge of the apparatus and demonstrate the basics of safe handling and shooting. Once everyone is confident with the basics the participants are divided into teams competing against other and individually.

This ancient sport of warriors provides a change of pace where skill, judgment and a level head count for more than adrenaline. We'll create a fun and interactive event where your group will shoot arrows, bond and laugh! It's perfect for all ages, genders and management levels for individuals, groups, employees and clients. All targets, bows and butts are supplied.

Archery /1-2 Hours/R300 per person

Tackle a full or half day River Rafting trip and paddle 16 km's on the Crocodile River from "Friday's Farm" to Broederstroom or from Lanseria to "Friday's Farm". We meet at launch at 07h30 for coffee, admin and issuing of equipment for the day's excursion. Once kitted we take a leisurely road trip to the launch site upriver in time to launch at 09h00, once boats have been checked and we have completed the safety briefing.

Once on the river we tackle a number of rapids and bridges, the speed of the trip dependent on the level of the river and competency of the group, we stop for breaks and a well-earned picnic lunch on our way down to Broederstroom whilst viewing beautiful bird life and meandering through the mountains.

We supply all safety equipment, boats, soft drinks and lunch on the river; extra snacks may be brought if you wish. Sun Screen and a cap are a must as well as shoes/sandals that fasten for the sections where we portage. This is not for the faint hearted but is a real fun and pleasurable full day on the river.

River Rafting/2 Hour guided/min 2 persons/R350 per person

River Tubing/1 ½ Hour guided 2 km's/min 4 persons/R200 per person

Bush Games. This Team Build activity is both fun and outcomes based, encompassing a taste of a number of our adventure activities and testing the team work and problem solving skills of the participants. Teams compete against each other, issued with bartering stones, riddles and some equipment! Each team has to tackle activities, obstacles and puzzles to determine the victor whilst having an adventure. All members must participate, but only some members of each team need to complete certain obstacles as indicated in order to allow for individual fears and fitness levels. Some activities are physical, some mental, but all will be challenging and fun.

You can expect the activity to be made up of some quad riding, archery/paintball target shooting, raft building, treasure hunt, puzzles and other fun components that will require good strategy and team work, we keep most of it under wraps until the event day to keep the surprise of the adventure to a maximum!

Bush Games/Approx. 3 Hours min 4 persons/R400 per person
